

PRO-X ADVANTAGES

Granular Fertilizer

- *falls to the soil and feeds through the roots for a thicker, healthier lawn-**thicker lawns have fewer weeds**
- *can't be mowed away or broken down by sunlight as liquids can-**you get your money's worth**
- *longer lasting, feeds lawn for 6-8 weeks-**more regular mowing schedule, (no surge growth) and more consistent color**

Custom Tailored Programs

- *we can adjust your program on the spot for special needs
- *every lawn is unique, with tankers you get what your neighbor gets
- *tankers are premixed with little or no flexibility to adjust for special needs-**your lawn receives what it needs, when it needs it to look its best**

Free Service Calls

- *no charge if I need to return between visits
- *only a phone call away, I'll be out within 1 to 2 working days
- *problems taken care of to your satisfaction
- *no hassle-no worry lawn care-**enjoyable, easy to work with service that delivers results**

Individual Responsibility

- *one person in your area that you can become familiar with
- *your tech will know your lawn's special needs
- *your special requests/instructions remembered
- *personal attention for you and your lawn
- a nice lawn and peace of mind**

The Best People

- *30+ years of lawn care and customer service experience
- *polite, friendly, dedicated professionals
- *promises kept
- satisfaction with whom you do business with**

Locally Owned

- *our personal and professional reputation within the community is always on the line-**we have to do a better job**
- *a more personal service that those impersonal chains just can't match
- *your lawn care dollar invested in our community, (northeast Wisconsin)-**not only a nice lawn, but peace of mind that comes from working with people you trust; and the good feeling that comes from helping to keep the community strong**
